

SHIP MANAGEMENT SERVICES TO AUSTRALIAN BORDER FORCE

The Project

The Australian Defence Vessel (ADV) Ocean Shield deployed between 2012 and 2015 to conduct Humanitarian Assistance and Disaster Relief (HADR) missions in the Asia Pacific region.

Originally purchased for the Royal Australian Navy (RAN), the vessel was transferred to the Australian Border Force (ABF) in 2015 and renamed the ABF Cutter Ocean Shield.

Project Highlights – Teekay

Teekay were contracted by the Commonwealth to provide the following ship management services:

- Technical management.
- Crew manning.
- Commercial and project management.
